Re: Character Reference Letter for Immigration of (NAME OF IMMIGRANT)

Dear/Honorable/To whom it may concern,

My name is ..... and I work as a chemical engineer at (NAME OF COMPANY AND LOCATION). This letter is a character reference for (NAME OF IMMIGRANT) who came to me few days ago to help write a good moral character letter which he/she needs to immigrate to Canada.

I have known ..... (NAME OF IMMIGRANT) for over seven years when I was working as a programmer in Mexico. We worked as a team on several projects and I can assure you that he/she is a really good person and a resilient individual. He/she is a person of high moral ethics and I was quite happy to attend to his/her request which will help him/her pursue his/her dreams.

I am really confident that (NAME OF IMMIGRANT) will make a positive impact and excel in your country. I hereby have no hesitation in recommending that (NAME OF IMMIGRANT) be granted immigration status in Canada. Thank you for taking the time out to consider my former colleague.

Yours Sincerely,

Cox Henderson
